Subject:	Wearing a mask mandatory for all students on school buses		

The Sudbury Student Services Consortium wishes to inform you that as of Monday, September 21, all students from Kindergarten to grade 12 who travel to and from school by bus will be required to wear a non-medical mask. Currently, students from Kindergarten to grade 3 were encouraged to wear a mask on the school bus.

Exceptions will be allowed for students with health problems or special needs that prevent them from wearing a mask.

While respecting the guidelines issued by the Ontario Ministry of Education and the public health office, the Sudbury Student Services Consortium is prioritizing the health of students and school bus drivers and monitors.

In an effort to support students and families, the Sudbury Student Services Consortium has created a COVID-19 Procedures area on our website at businfo.ca.
